DEAR COLLEAGUES!

Acad. S.Yu. Yunusov Institute of the Chemistry of Plant Substances invites you to participate in the **International Conference “Actual Problems of Chemistry of Natural Compounds”** which held in Tashkent on March 15–16, 2023.

CONFERENCE TOPICS

- Chemistry, biology, pharmacology, and technology of natural compounds and their derivatives.**
- Successes and problems of creation of new drugs.**

The Conference program includes plenary (20–30 min), oral (10 min) and poster presentations.

Registration form and abstracts in English in RTF format designed as mentioned in “Abstract submission” paragraph should be submitted to the Organizing Committee till February 20, 2023, by e-mail: conference_icps@mail.ru

The abstracts will be selected in accordance with their relevance to the topics of the conference, material novelty, and deadline of sending the abstracts and registration form.

The official language of the conference is English.
